Trade to toys gives Jim new lease of life

Foster carer Jim has swapped trade for toys and says he couldn't be happier.

The dad of three spent 35 years building up loyal customers who would wait months for space in his busy schedule.

But three years ago he followed his heart and his wife's advice to work with children and became a foster carer for Salford City Council.

And now he's a full time, stay at home dad juggling playtime, school runs and paperwork while his wife works full time.

"My life is properly worthwhile now. I had fabulous customers but never enjoyed it. It was hard with just the radio for company," said Jim.

"Now I'm up from 5am and it's hectic family life till my wife comes home and does bedtime while I do the housework and fostering paperwork. I love the foster care training and meetings too.

"I will be heartbroken when they move on but as long as it's right for them.

"I'd say think long and hard and go into it for the right reasons but the rewards are absolutely incredible."

Could you foster for Salford City Council?

Henshaws Pathway to Wellbeing project launching in Salford July 2016

Henshaws, a charity supporting people with sight loss to live independent lives, have been successful in securing a substantial grant from the Big Lottery Fund to deliver a range of wellbeing services over the next three years.

Starting in July 2016, experienced Henshaws Enablement Officers will deliver or support regular programmes of information, advice and guidance, living with sight loss courses, weekly exercise classes and monthly social meet ups from Pendleton Gateway. In addition, a new Community Services Counsellor will offer bespoke counselling sessions in each location.

The courses and services running will include:

Living with Sight Loss course

Living with Sight Loss is a free, six week course, which will provide you with information, advice and guidance and will help you to develop skills to make living with sight loss easier. A variety of life skills are covered to enable you to live independently, including cooking tips, safety in the home, assistive aids and equipment demonstrations, guidance on transport and iPad taster sessions. Course participants also benefit hugely from peer support and meeting other people also living with sight loss. Regular guest speakers providing information and advice will include Guide Dogs, Rehabilitation and Welfare Rights teams, transport representatives and the Fire Service.

Exercise classes

Henshaws popular exercise classes are designed for people experiencing sight loss. Benefits include increased mobility, fitness and confidence as well as providing the opportunity to socialise and meet people. You can work at your own pace and the classes are designed for all fitness levels.

Coffee meet-ups

Coffee meet-ups run monthly and provide an opportunity to socialise and build friendship groups in your local community whilst enjoying a nice cup of tea or coffee and a biscuit.

Details of planned activity at Pendleton Gateway (1 Broadwalk, Pendleton, Salford, M6 5FX)

Mondays

Exercise classes – weekly, 1.30pm – 3.00pm. Starting early July

Tuesdays

Living with Sight Loss course will run in 6 week blocks (afternoons)

Coffee meet-ups – First Tuesday of each month

Counsellor – available Tuesdays (by referral/appointment)

To find out more and to express an interest in any of these activities please contact Henshaws First Step Team on 0161 872 1234.

Armed Forces Day 2016

We Salute You

Thank you to all of those that came out to celebrate Armed Forces Day with the Friends of Peel Park M38 and Kenyon Residents and especially thank you to those who brought memorabilia to share with us on the day.

We had a fantastic turn out and those attending enjoyed donkey rides, bouncy castles, music by the Middleton Youth Band, arts and crafts and much more.

If you are interested in helping out with future events or supporting the Friends of the parks please visit our facebook page:

<https://www.facebook.com/friendofpeelpark/>

Or come along to the next meeting taking place on Wednesday 5 July at 3pm at Peel Park Pavilion on Ram Street, Peel Park, Little Hulton.

Changes to bin collection day

As you are aware the collection the way we empty your black bin is changing, below is a quick guide to how it will work over the next 6 weeks, based on individual areas.

Over the last few weeks all areas affected have been informed by leaflet/letter, we are asking that you help us and assist anyone who may not understand the process and should you see that any of your neighbours have not put the bin out when you know it should be, please be polite and check that they know it should be out.

This is a pilot in these areas and will be evaluated before it is rolled out across the city, should you incur any issues please refer them to the web site [Changes to black bin collections • Sal-ford City Council](#) or the customer contact centre 0161 909 6500.

Once again thank you for your continued support.

Citizen's Advice Bureau offering Pension Wise appointments across SALFORD region to help people plan for their future

Citizens Advice is delivering Pension Wise appointments giving people access to free and impartial pension guidance in their local area.

Following pension reforms on April 6, people approaching retirement have greater freedom over how they can use their pension pots. Pension Wise is a new Government service designed to help people make sense of their pension options, and empower them to make the right choices for them.

Citizens Advice will be delivering free face to face Pension Wise sessions which are available to book now. The 45 minute appointments will be tailored to the individual, taking into account the value of their pension and their plans for retirement.

A Pension Wise appointment may help you if:

You are approaching retirement or are 50 or over

Have a defined contribution pension

Guidance appointments are also available on the telephone, delivered by the Pensions Advisory Service. People can also get information and general guidance online at www.pensionwise.gov.uk.

Citizens Advice will be delivering Pension Wise appointments from Pendleton Gateway, Eccles

Library, Broughton Hub, Little Hulton Library, Cadishead Library, Age UK Salford and a number of sites across the region, giving easy access to Pension Wise.

To book a telephone or face to face appointment, call 0300 330 1001.

Sure Start Children's Centres

Giving children the best start in life IN Salford

We are a Manchester-based charity and now have a thriving base here at **Little Hulton** which is based on the Hulton District Precinct and has been open over a year now.

We are always very grateful for all donations of good quality furniture and household items, as well as clothing and food (tins, jars and packets). Collections of large items of furniture can be arranged free of charge by contacting us on **0161 228 7331**.

We also have a website: www.mustardtree.org.uk

This provides up to date information about our work and developments, including referrals and also vacancies.

We have now established the **Freedom Project** at Little Hulton which is a structured 20-week work-readiness programme providing opportunities for new skills and personal development, work experience and also creative arts sessions. The Freedom Project is particularly aimed at those who are most disadvantaged with regards to employability.

We would really welcome help from anyone who is able to come and work with us as a general Volunteer within the shop and office, or as a Volunteer Mentor, or Skills Mentor, for our Freedom Project participants. This could be just 2-3 hours a week, or more.

Interested in winning a reward worth up to £1,000 for your community group or project?

Keen to play a part in increasing recycling in Salford?

'Recycle and Reward' is a new scheme to boost recycling rates and reward local good causes.

Each month, local good causes across Salford can put themselves forward for a reward worth up to £1,000. These can be local charities, social groups, youth groups, residents associations, schools or community groups.

How does it work?

Salford is made up of eight different areas – Claremont and Weaste, East Salford, Eccles, Irlam and Cadishead, Ordsall and Langworthy, Swinton and Pendlebury, Walkden and Little Hulton and Worsley and Boothstown.

People who live in each area can vote for their favourite good cause. The good cause with the most votes in each area will receive the reward they have asked for - but only if recycling in that area has increased from the month before.

Unfortunately, we can't give cash – rewards can be anything that helps to benefit the group or community. Perhaps new equipment that you desperately need, or some urgent building repairs that need fixing. Whatever it is, ask and you might get!

How to apply

If you'd like to apply to be one of Recycle and Reward's good causes, please complete the online application form at **www.salford.gov.uk/recycleandreward**

If your cause is selected we'd like you to push recycling to your members, networks and community, and get everyone to help increase recycling in your area that month and in the future, as well as getting everyone to vote for you!

Recycling is vital because we can't keep burying waste in the ground. Every tonne we can divert from landfill is better for the environment and saves the council money which we can use to support essential public services.

This scheme is funded entirely through government money with the aim of increasing recycling in Salford.

Carers Assessments and Carers Breaks

Many carers are unaware that under the new Care Act legislation, they have a right to a carers assessment. This is an in depth review of their caring role and their personal situation undertaken by the Adult Social Care team at Salford City Council.

Being able to take a break from their caring role is very important for carers, and part of the assessment looks at whether carers are able to take breaks, and what help can be given to carers to support them to do this. Some carers may be eligible for a Carers Personal Budget to support them to take a break, if they have an identified need that can't be met in another way.

If any carers are unsure if they would benefit from an assessment please ask them to contact Salford Carers Centre on **0161 833 0217** and one of our support workers can discuss this with them.
