# Reception

Autumn 2 1.11.21-21.12.21  
What will I be learning this half term?

## Personal, Social & Emotional

- I will be looking at how we are all good at different things and that being different makes us all special.
- I will be thinking about how we can use kind words and give and receive compliments.

## Festivals & Autumn

## Understanding the World

- To recognise and describe special times and events for families and friends.
- Compare communities and celebrations around the world.
- Know a sign of autumn

## Expressive Arts & Design

- To use different media to create pictures
- To talk about colours and shapes within objects
- To explore with texture

## Maths

- I will explore pattern for example those found on wrapping paper and Rangoli patterns and will make repeating patterns.
- I will be exploring shapes; circles, triangles and shapes with 4 sides.
- I will explore size and be learning to put things in size order.
- I will explore positional language answering the question where?
  - I will recognise numbers 3,4,5,6,7 and know how these numbers are made up and talk about numbers within them.

## Physical

- Use scissors with confidence
- Balance in different positions
- negotiate space carefully
- Hold my pencil in the tripod grip
  - move in a variety of ways
