

## Homework Menu – Summer 2

<p>English</p> <p>Use the video feature on see saw to design your very own advert – you could make up a new chocolate bar or gadget. You could even link to DT and advertise your pizza</p> 	<p>History</p> <p>Can you compare the life of a poor child and a rich child in Victorian times?</p> 	<p>Times tables</p> <p>Do you know ALL your times tables? Record your speed and try and improve it – we are aiming to answer each question in 6 seconds.</p> 	<p>Maths</p> <p>Can you use measuring instruments? You could do some baking in the kitchen, or some measuring around the house. Even taking the temperature. Make sure you show us what you have made.</p> 
<p>DT</p> <p>Can you design your very own pizza? What would you put on it? (Link to maths – how much of each ingredient?)</p> 	<p>RHE</p> <p>Can money buy happiness? We will be learning the skill of debate</p> 	<p>Science</p> <p>What is a food chain? Can you sue the words predator, prey, producer and consumer?</p> 	<p>Computing</p> <p>Can you use 2 animate on purple mash to create your own advert – like Wallace and Grommet</p>
