

Year 6 Homework Menu – Autumn Term 2

Y6, in the homework menu below there are a variety of different learning tasks that you should try to complete over this half term. We ask that you complete **at least one activity** from the menu each week at home. Please can you upload your completed work to Seesaw, ready for this to be shared on a **Monday** in class. If you are not able to get on to Seesaw at home, please tell us and we can give you a paper copy of the menu and an exercise book, which you can use instead.

<p><u>English - Writing</u></p> <p>Your task is to create an explanation text about animals. Choose an animal that you are interested in. Create your very own explanation text using subheadings, captions and facts. Illustrate your explanation text.</p>	<p><u>English – Reading</u></p> <p>Visit the local library and join as a member. Select some books that you are interested in. Choose a topic of your choice to research. Whilst reading your book, make notes on your topic. Then create your own poster telling everyone everything that you have learnt and been reading.</p>	<p><u>Maths</u></p> <p>Make some long multiplication calculations for yourself. Complete these calculations and then check your answers using the inverse. Can you write some long division calculations and calculate too?</p>	<p><u>Science</u></p> <p>In Science, we are learning all about our hearts. Choose an activity from the list below.</p> <p>Make a heart for someone special to you.</p> <p>Find out about some famous heart surgeons. How do you become a heart surgeon?</p> <p>Find out the size and structure of the human heart and compare this to animals' hearts.</p>
<p><u>Geography</u></p> <p>In Geography this term, we are learning all about the water cycle and how clean water is so important to us all in our daily lives. Make some notes on why clean water is so important to us and to people all over the world.</p>	<p><u>RHE</u></p> <p>Sleep is so important to us all. As part of keeping healthy, we must ensure we get a good amount of sleep. Keep a sleep diary of what time you go to sleep each day and what time you wake up. How many hours of sleep did you have?</p>	<p><u>Design Technology</u></p> <p>In Design Technology, we are going to be creating our own Tudor pies. Do some research on Tudor food and what Tudor Monarchs enjoyed to eat. Research pies. What pies do you like? What pies did Henry VIII enjoy? What kind of fillings did he like? Can you design your own pie?</p>	<p><u>Computing</u></p> <p>Using your tablet or computer. Find different search engines that we can use to locate information. Make a list of all the different search engines. Find out how search engines work, make some notes on this for our lesson.</p>
