

Year 6 Homework Menu – Spring Term 1

Y6, in the homework menu below there are a variety of different learning tasks that you should try to complete over this half term. We ask that you complete **at least one activity** from the menu each week at home. Please can you upload your completed work to Seesaw, ready for this to be shared on a **Monday** in class. If you are not able to get on to Seesaw at home, please tell us and we can give you a paper copy of the menu and an exercise book, which you can use instead.

<p><u>English - Writing</u> In Guided Reading we read an extract from the text- The Nowhere Emporium.</p> <p>Write your own story about a time travelling shop. Include description and all elements of spelling, grammar and punctuation. Bring your stories into school to share.</p>	<p><u>English – Reading</u> Read your favourite book. Write a book review telling us your favourite parts of the book, your favourite characters. Explain why it is a good book to read. Bring your book reviews into school to share with everyone.</p> <p>Read every evening at home for at least fifteen minutes.</p>	<p><u>Maths</u> Practise your Roman Numerals. Write some addition and subtraction calculations using Roman Numerals.</p> <p>Create a Roman Numerals quiz for the class to answer.</p>	<p><u>Science</u> In Science, we are learning all about our Evolution and Adaptation.</p> <p>Investigate what the word ‘Evolution’ means.</p> <p>Create a poster to explain how animals adapt.</p> <p>Research the life and work of Charles Darwin.</p>
<p><u>History</u> In History, we are learning all about the Stone Age. Stonehenge is a prehistoric monument on Salisbury Plain in Wiltshire, England.</p> <p>Can you find out any information about Stonehenge? Can you draw or paint a picture of Stonehenge?</p>	<p><u>RHE</u> This term we are learning about the advantages and disadvantages of working and posting online using the WWW and the internet.</p> <p>Create a list of advantages and disadvantages of working online.</p> <p>What are the positives we can gain from using the WWW and the internet</p>	<p><u>Art</u> Can you create your very own Stone Age house?</p> <p>You will need to research and find out all about Stone Age houses. Create your own Stone Age house and bring it into school to put on our display.</p>	<p><u>Computing</u> On a piece of A4 paper. Design a new computer game for children aged 8 years old.</p> <p>Include drawings of characters, ideas for different levels, ideas for a background.</p> <p>What will be the aim of the game? How do we win the game? What will your new game be called?</p>
