

YEAR 1 - KNOWLEDGE PLANNER

SUMMER 1

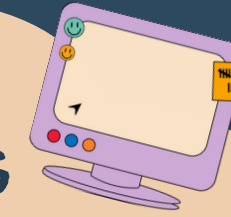

LITERACY

This half term, we will be reading the story *Handa's Surprise* by Eileen Browne. We will be taste testing some of the exotic fruits in the story and using these to make a smoothie! We will be writing recipes, describing settings, acting out the story whilst thinking about what characters may say and writing our own surprise story!

COMPUTING

This half term we will be continuing with coding and creating animated stories. We will be learning how to add sound, pictures and text and how to change content on a file such as text, sound and images.

TOPIC

This half term we are learning about the first aeroplane flight by the Wright brothers! We will be learning when was the first flight was, the differences between aircrafts past and present and about the first female pilot, Amelia Earhart.

PHONICS

We learn and practise phonics daily using *Supersonic Phonics Friends*. If you wish to play some phonics games at home, visit the websites below and use games with phases 4 and 5.
www.phonicsbloom.com
www.phonicsplay.co.uk
Purple Mash - phonics cloze activities are great!

MATHS

This half term we will be learning to measure weight, capacity and length. We will be using cubes and rulers to measure length, recording mass in 10g and 1g masses and recording the volume or capacity using cups as our unit of measure. We will be learning position and direction to follow on from fractions and learning how to answer addition and subtraction calculations with missing numbers.

RHE

We are going to learn about how to stay safe and about the people who help keep us safe. We will learn about job roles of individuals in the community that help to keep everyone safe, who can help us in different places and situations and how to get help if there is an accident and someone is hurt, including how to dial 999 in an emergency and what to say.

R.E

This half term we will be learning about different wedding ceremonies. We will identify ways people show they belong to each other when they get married in different faiths.

SCIENCE

We will be learning all about plants over this whole term! We will be learning all about wild and garden plants, leaning and labelling the parts of a plant and a tree. We will be planting our own seeds and learning how to take care of our plants and how to help them grow.

P.E

This half term we will be enjoying athletics on a Thursday afternoon. We have the sports coaches coming to teach us all how to develop balance, agility and co-ordination and master basic movements involved in throwing, jumping, running and catching.

MUSIC

This half term we will be finding the pulse to songs, understanding that this is the heartbeat of the music. We will be learning to identify the sounds of some instruments in the music we are listening to.
