

Literacy

Our class read this term will be How to Train your Dragon, by Cressida Crowell
During English, we will be basing our writing on Aesop's Fables, which are short stories, typically with animals as characters, conveying a moral.

Knowledge Organiser Autumn 2023

Art

This half term we will be looking at the artist Andy Warhol. We will be using a range of art techniques to create artwork inspired by him.

Numeracy

This half term we will be concentrating on place value with numbers up to 1000, addition and subtraction, length and perimeter and statistics. We will be learning in many different ways both practically and written, sometimes using concrete objects and also focusing on mental strategies.

Science

Our science topic this half term is rocks. We will be comparing and grouping together different kinds of rocks based on their appearance and simple physical properties, giving reasons.
We will also be investigating how fossils are formed and recognising that soils are made from rocks and organic matter. We will also be exploring the difference between sedimentary, metamorphic and igneous rock.

Computing

This term we will be using both iPads and laptops in our computing lessons. We will be starting with online safety, then learning to code and we will be using purple mash which most of you will already be familiar with.

RHE

Will be all about friendships.
Making positive friendships, managing loneliness and dealing with arguments.

PE

This half term we are very lucky to have the specialist PE coach Mr Follows who will be teaching us football and then Hockey.

Geography

Knowing the major cities, regions and countries in the UK. Comparing and contrasting the UK and Spain, as well as other Mediterranean countries.

R.E

What do different people believe about God?
This half term we will be investing in depth different religious and spiritual ways of life regarding diverse beliefs about God.
Children will develop the understanding and skills needed to appreciate and appraise varied responses to the above question, as well as develop responses of their own. They will identify some similarities and differences between ideas about what God is like in different religions & will express their own understanding of God through words, symbols and the arts.

Music

Let Your Spirit Fly - an R&B song for children.
We will be listening to and appraising, building on our knowledge and understanding about the interrelated dimensions of music, rhythm and pitch through both singing and using a variety of musical instruments such as the glockenspiel

Spanish

To engage in conversations, ask and answer questions, develop accurate pronunciation, develop spelling skills and correct punctuation. These skills will be taught in various ways such as joining in with songs and rhymes in the Spanish language as well as other learning opportunities.
