

YEAR 2 - KNOWLEDGE PLANNER

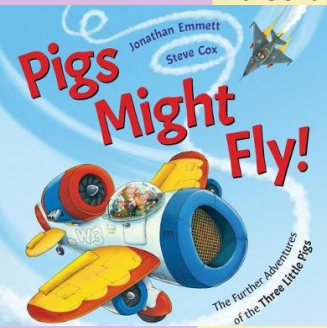

SUMMER 1

LITERACY

This half term we will be reading 'Pigs Might Fly!' by Jonathan Emmett and Steve Cox and reading some of Roald Dahl's Revolting Rhymes!

Pigs Might Fly introduces a sequel to the traditional tale, The Three Little Pigs. It is very comical and I know that the children will love it! They will be comparing the similarities with the first story, creating adverts for the 'Pie in the sky race' and adapting the story to create their own narratives. The children will also be performing poetry, acting and reciting 'Little Red Riding Hood and The Wolf'.

MATHS

Some of the learning this half term will be to:

- Recap telling the time to the hour, half past, quarter past and quarter to the hour
- Tell the time to the nearest five minutes past the hour
- Tell the time to the nearest five minutes past the hour
- Recap partitioning a two-digit number into a multiple of 10 and another number
- Partition a two-digit number in different ways and reason about how the parts change
- Correctly place a number from 1-100 on a number line with multiples of 10 marked but not labelled

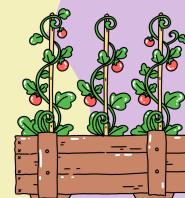

SCIENCE

This half term we will continue with plants.

The children will be coming back to school to see the results of their experiment. They have planted seeds, each with different variables to see which plant will be the healthiest.

- One in the dark without water
- One in the dark with water
- One in the light with water
- One in the light without water

The children each made predictions about the outcome of each pot so they will be concluding their findings.

HISTORY

The topic for History this half term is 'Worsley, Long Ago'.

The children will be learning:

- How the local area is different to the way it used to be a long time ago
- How to differentiate between things that were here one hundred years ago and things that were not
- To know what a canal is and what it is for
- To know where the Bridgewater Canal is in the local area, why it was so important in the past and how it has changed over the years.

R.E

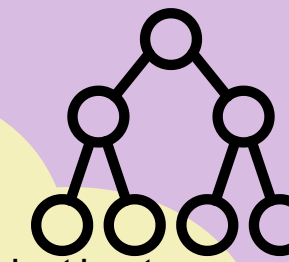

This half term the children will be learning about the beliefs of Muslims

Some of the learning will include:

- Simple ideas about Muslim beliefs about God, making links with some of the 99 Names of Allah
- To Re-tell a story about the life of the Prophet Muhammad
- To recognise some objects used by Muslims and suggest why they are important
- Identify some ways Muslims mark Ramadan and celebrate Eid-ul-Fitr and how this might make them feel

COMPUTING

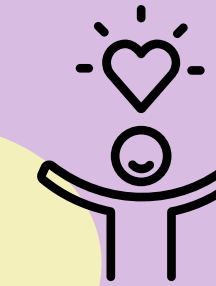

This half term the children will be learning about how to use technology purposefully to create, organise, store, manipulate and retrieve digital content.

They will learn about data handling tools that can give more information than pictograms, how to use yes/no questions to separate information. They will learn how to construct a binary tree to identify items, how to use a database to answer more complex search questions and to use the Search tool to find information.

RHE

Our RHE topic this half term is about health and wellbeing

Being healthy: eating, drinking, playing and sleeping
What can help us grow and stay healthy?

The children will learn:

- different things help their bodies to be healthy, including food and drink, physical activity, sleep and rest
- that eating and drinking too much sugar can affect their health, including dental health
- how to be physically active and how much rest and sleep they should have everyday
- that there are different ways to learn and play; how to know when to take a break from screen-time
- how sunshine helps bodies to grow and how to keep safe and well in the sun

ART

This half term, we will continue with work on Henri Rousseau.

The children will be learning how to:

- Create different size brush strokes with a variety of brushes.
- We will use this to help create jungle scenes inspired by Rousseau.
- The children will be mixing their own green using the primary colours and then adding white and black to create tints and shades

P.E

This half term the children will be enjoying Athletics.

Skills will include learning how to:

- Run with agility and confidence
- Learn the best jumping techniques for distance
- Throw different objects in a variety of ways
- Hurdle an obstacle and maintain effective running style
- Run for distance
- Complete an obstacle course with control and agility

PHONICS AND SPELLINGS

We practise phonics and spellings daily using Supersonic Phonics Friends.

The children will have five spellings to learn each week for homework. These are set on Seesaw each Friday, the children will then have a test the following Friday.

MUSIC

The children will be learning the Charanga Unit of work Djembe using instruments.
