

Year 6 Homework Menu – Autumn Term 1

Y6, in the homework menu below there are a variety of different learning tasks that you should try to complete over this half term. We ask that you complete **at least one activity** from the menu each week at home. Please can you upload your completed work on to Seesaw, ready for this to be shared on a **Monday** in class. If you are not able to get on to Seesaw at home, please tell us and we can give you a paper copy of the menu and an exercise book, which you can use instead.

<p>English – Writing Think of a topic that you are interested in. Be a poet for a day and write a poem on your topic. Try and include rhyming words, similes, alliteration and personification. Decorate your poems and bring them into school.</p>	<p>English – Reading Select one of your favourite books or use your school book. Once you have read your book, write a book review for the class. In your book review, give a summary of the book, your favourite part, talk about the characters and give your opinion and star rating of the book.</p>	<p>Maths Write ten different numbers of your choice. In class we have been looking at numbers as great as millions, so the numbers you pick can have up to seven digits in them. In each of your ten chosen numbers, please underline one digit, then write the value of this digit next to your number. An example of this is: 8 <u>9</u>32 781 = 30 000</p>	<p>Science Research different types of animals and the names given to their specific habitats. Research all about Carl Linnaeus and his work on classifying animals. Create a poster to display in class all about Carl Linnaeus.</p>
<p>History Draw and paint a picture of a Mayan God. You will need to research the Mayan Gods first. Bring your pictures into school to display.</p>	<p>RHE Keep a food diary for a week and see how healthy your diet and meals are. Keep an exercise log for a week and record how many minutes of exercise you have done. Take part in a Go Noodle session or a Joe Wicks session at home to enhance your daily exercise.</p>	<p>Art Research and find out about our artist this term. Jave Yoshimoto. Create a fact file of any facts and information that you find out and bring them into school. Can you sketch one of his paintings?</p>	<p>Computing Being safe online is crucial to protecting ourselves from any harm or danger, when using our internet devices. Can you research eight ways to practice keeping safe when you're online? You can use writing or drawings to represent these ideas.</p>
