

LITERACY

This half term we will be focussing on Traditional Tales like *Goldilocks & the Three Bears* and *The Gingerbread Man*. We will also be learning from memory and reciting the rocket poem *Zim Zam Zoom* and creating our own version.

SCIENCE

Over the coming weeks, we will identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense. We will be exploring in a practical way.

COMPUTING

We will be introducing the children to our Computing app called 'Purple Mash', teaching them how to login safely with their password, and how to save their work. We will give out passwords to access this resource at home at the 'Meet the Teacher' meeting.

MATHS

We will be practising counting objects, grouping by making tens and ones, and writing numerals clearly. We will be adding & subtracting numbers, measuring length and mass, and looking at 2D/3D shapes.

RE

In RE, we will be exploring our 'Christianity' unit and listening to, thinking and talking about the Creation Story.

TOPIC

We will be thinking about 'Toys from the Past', discovering how toys have changed over time, for example the toys our grandparents may have played with. We will also learn about the significance of Bonfire night and Remembrance Day.

RHE

In RHE we will discuss ourselves and others; similarities and differences; likes and dislikes; individuality; our bodies and what is the same and different about us.

PE

This term our PE day will be on a Wednesday. Our focus will be 'Gymnastics' where we will explore travelling in different ways, balancing, climbing and working with others to sequence movements.

DESIGN TECHNOLOGY

This half term we will be planning, designing and making a Gingerbread Man.

MUSIC

We will be focussing on a piece of music called 'Hey You', which has an old school Hip- Hop style. We will be learning how pulse, rhythm and pitch work together and listening and appraising some music.
