

## **LITERACY**

This half term we will be creating our own *Fireman Sam Firework Safety* poster, writing a WANTED poster for the *Highway Rat*, and Mog's letter to Santa from Judith Kerr's *Mog's Christmas Calamity*.

## **SCIENCE**

This half term we will know the names of the seasons and the type of weather associated with each. We will talk about how the environment changes through the seasons and how to dress appropriately for each season.

## **COMPUTING**

We will be linking our Computing to Maths, creating pictograms and sorting items into groups. We will change content on a file such as text, sound and images, saving our work at the end.

## **MATHS**

We will be continuing to focus on naming and sorting 2D and 3D shapes, identifying patterns with numbers e.g. counting in steps of 2's and 5's, looking at the fractions half and quarter and using the correct number of 1p coins for 2p, 5p, 10p and 20p coins.

## **RE**

This half term we will be exploring our 'Christianity' unit, looking at themes in stories, such as right and wrong, and good and bad.

## **TOPIC**

We will be thinking about 'Our local area'. We will talk about where we live, and practise writing our address. We will use maps to identify the countries in the UK, and know the capital city is London.

## **RHE**

Our RHE topic this half term will be 'Relationships'. We will learn about ourselves and others; people who care for us; groups we belong to; and who is special to us.

## **PE**

This term our PE day will be on a Wednesday. Our focus will be 'Dance' where we will begin to link movements to music and copy dances. We will create movements to make our own performances.

## **DESIGN TECHNOLOGY**

This half term we will be planning, designing and making our own pull toy.

## **MUSIC**

We will be focussing on Music linked to Christmas, and the upcoming festivities.
